Locking Times

We work closely with Lock Authorities but cannot guarantee lockage.

**** Lock at your own risk ****

Lock #5 Downstream morning locking - Upstream Gates open from 07:30-8:00 AM then close gates and lock downstream. Upstream Gates open from 08:30- 09:00 AM lock 2nd group downstream.

Lock #4 Downstream morning locking - Upstream Gates open from 08:30- 09:00 AM then close gates and lock downstream. Upstream Gates open from 09:40- 10:10 AM lock 2nd group downstream.

Lock #4 Upstream afternoon locking - Downstream Gates open from 12:40- 01:10 PM then lock 1st group upstream. Downstream Gates open from 01:40 - 02:10 PM lock 2nd group upstream.

Lock #5 Upstream afternoon locking - Downstream Gates open from 01:40- 02:10 PM then lock 1st group upstream. Downstream Gates open from 02:40 - 03:00 PM lock 2nd group Upstream.

Locking Note - If locking during tournament, each boat needs to have two ropes 10-14 foot long.

- *It is understood that any boats outside of established locking schedule will be treated as any other recreational boat and any boat wanting to lock thru that will interfere with the schedule will have to wait for the scheduled lockage to take place first. **The only exception is for Govt. or commercial lockage's that take priority over recreational vessels***
